**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that:

It is ordered that the defendant shall pay to the United States a special assessment of \$200, which is due immediately.

Defendant shall pay restitution in the total amount of \$6,300.00 to victims set forth in a separate victim list prepared by the probation office which this Court adopts and which reflects the Court's determination of the amount of restitution due to each victim. The victim list, which shall be forwarded to the fiscal section of the clerk's office, shall remain confidential to protect the privacy interests of the victims.

Restitution shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program. If any amount of the restitution remains unpaid after release from custody, nominal monthly payments of at least \$50 shall be made during the period of supervised release. These payments shall begin 30 days after the commencement of supervision. Nominal restitution payments are ordered as the court finds that the defendant's economic circumstances do not allow for either immediate or future payment of the amount ordered.

If the defendant makes a partial payment, each payee shall receive approximately proportional payment unless another priority order or percentage payment is specified in this judgment.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest. Payments may be subject to penalties for default and delinquency pursuant to 18 U.S.C. § 3612(g).

The defendant shall comply with General Order No. 01-05.

All fines are waived as it is found that the defendant does not have the ability to pay a fine in addition to restitution.

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Tyeshon Terell Clay, is hereby committed on Counts One and Two of the First Superseding Indictment to the custody of the Bureau of Prisons for a term of FIFTY-ONE (51) MONTHS. This term consists of 51 months on each of Counts One and Two of the First Superseding Indictment, to be served concurrently.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment. The Bureau of Prisons shall evaluate the defendant for his eligibility in the 500 hour drug treatment program.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of 5 years. This term consists of 3 years on Count One and 5 years on Count Two of the First Superseding Indictment, all such terms to run concurrently under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U. S. Probation Office and General Order 05-02;
2. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer;
3. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath, and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using illicit drugs and alcohol, and abusing prescription medications during the period of supervision;
4. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential drug treatment program approved by the United States Probation Office for treatment of narcotic addiction or drug dependency, which may include counseling and testing, to determine if the defendant has reverted to the use of drugs, and the defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer;
5. As directed by the Probation Officer, the defendant shall pay all or part of the costs of treating the defendant's drug dependency to the aftercare contractor during the period of community supervision, pursuant to 18 U.S.C. § 3672. The defendant shall provide payment and proof of payment as directed by the Probation Officer;
6. The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge;
7. During the period of community supervision the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment;
8. The defendant shall cooperate in the collection of a DNA sample from the defendant;
9. The defendant shall apply all monies received from income tax refunds to the outstanding court-ordered financial obligation. In addition, the defendant shall apply all monies received from lottery winnings, inheritance, judgements and any anticipated or unexpected financial gains to the outstanding court-ordered financial obligation;

USA vs. TYESHON TEREELL CLAYDocket No.: CR 09-01291(A)-RGK

10. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the approval of the Probation Officer; and
11. The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence Report), to State or local social service agencies (such as the State of California, Department of Social Services), for the purpose of the client's rehabilitation.

The Court recommends that the defendant be designated to a Bureau of Prisons facility in Southern California.

Counsel for the government motions the Court to dismiss the underlying indictment. Motion granted.

Defendant is advised of his right to appeal.

Subpoenaed documents were returned to defense counsel.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
